

Cod. G3122

Standard and Approvals

- Switch according to IEC/EN 60947-3
- Certified UL60947-4-1A and CAN/CSA C22.2 No. 60947-4-1-07
- Suitable as Manual Motor Controller

Characteristics

- Cam fixing guide
- Aluminium profile according to DIN 69639
- Weight (kg): 2,147

(image is purely indicative)

Dimension

P	B	C	L
12	3	36	2000

Notes:

- P = Pitch, distance between two channels
- L = Overall rail length
- C = Overall rail width
- B = Lateral thickness
- G2 = Linear cam tray with 2 channels
- G3 = Linear cam tray with 3 channels
